Repatriation Literature

1. One of our cleared covert contacts of Latvian nationality residing on the west coast of PEPRINE has recently received an inducement for repatriation to the Latvian SSR. This inducement was printed in the Latvian language in newspaper format and was mailed in the East Sector of Berlin. The postage stamp affixed to the envelope carried an East Zone cancellation post mark dated 14-21 (the rest is illegible). The return address on the envelope stated the following: ABS Berlin NW 7 Postfach 6.

2. It might be noteworthy that the letter in which this literature was mailed was addressed to our contact at an address from which he had moved approximately one year ago.

3. Although we have no further information regarding this matter, we are prepared to query our source if you so desire.
